

## **Massachusetts Title Insurance Premiums**

Effective July 1, 2017

INSIDE FRONT COVER - BLANK

## Premium Calculations:

1. First, please determine the type of policy(ies) to be issued:
  - a) Owner (Expanded or Standard)
  - b) Loan (Expanded or Standard)
  - c) Simultaneous Owner and Loan
  
2. Then determine the Amount of Coverage (**Note that all coverage amounts must be rounded up to the next \$1,000 for all calculations**):
  - a) **Owner:** Coverage amount is based upon the purchase price paid for the property. For new construction the Amount of Coverage should be based upon the appraised value upon completion as determined by the Lender.
  
  - b) **Loan:** Amount of Coverage is the loan (Mortgage) amount, except as otherwise set forth below:
    - (i) **Negative Amortization Loans:** A negative amortization loan is a type of variable rate loan which provides for possible increases to the unpaid principal balance. In connection with such loans, the lender will typically require that the Amount of Coverage be greater than the Mortgage Amount. In general, the Lender will require that the policy be issued in an amount equal to 110% of the face value of the mortgage. There are two options for issuing a policy for a negative amortization loan. (a) issue an Expanded Loan Policy which automatically provides coverage for up to 125% of the Loan Amount (Amount of Coverage should match the Mortgage Amount in Schedule A); or (b) issue a Standard Policy in the amount of 110% of the Mortgage Amount, or such additional amount as required by the lender. **Please note that when issuing a Standard Policy the Amount of Coverage will not be the same as the Mortgage Amount listed on Schedule A and the ALTA 6.2 Negative Amortization Endorsement box on Schedule A should be checked.**

(ii) **Reverse Mortgage Loans:** Similar to a negative amortization loan described above, lenders will typically require that the Amount of Coverage be issued in an amount up to 150% of the face value of the mortgage. When issuing the policy for a reverse mortgage loan a Standard Policy should be issued in the Amount of Coverage required by the lender. Please note that the Amount of Coverage will not be the same as the Mortgage Amount listed on Schedule A and the ALTA Reverse Mortgage Endorsement should be attached to the policy.

3. When issuing Simultaneous Owner and Loan Policies, if the Loan coverage does not exceed the Owner's Coverage the rate for both policies will be determined based upon the Owner's Premium plus an additional \$175.00 simultaneous loan fee. When issuing a Simultaneous Owner and Loan Policy where the Loan Coverage is higher than the Owner's Coverage, you would first calculate the Owner's Premium plus the additional \$175.00 simultaneous loan fee. Additional premium for the amount of the Loan Coverage that exceeds the Owner's Coverage would then be added as set forth below:

Owner Policy: \$500,000.00

Loan Policy: \$560,000.00

Premium calculated as follows:

Expanded Homeowner Policy premium: \$2,000.00

Simultaneous Loan Fee: \$ 175.00

Additional Premium for Standard Loan Policy

(Loan Policy Exceeds Owner Policy by \$60,000.00): \$ 150.00

**Total premium: \$2,325.00**

## **Equity Line or Second Mortgages:**

When loan policies for equity line or second mortgages are issued in conjunction with the issuance of simultaneous Owner and first mortgage Loan policies, an additional \$100.00 should be added to the premium. **If no Owner's Policy is issued, the full premium should be charged for each of the Loan Policies issued.**

## **Policy Premium Rates for Purchase Money Transactions**

**The Expanded policy (Owner or Loan Policies) may be issued only in connection with 1-4 family residential properties, including condominiums. The Expanded policy may not be issued for commercial real estate, construction loans, or unimproved land.**

## **Premium Rates for Standard Policies:**

### **Loan Policy Only:**

\$1,000 - \$39,000 = \$100.00 minimum charge

\$40,000 - \$2,000,000 = \$2.50 per thousand

### **Owner Policy Only:**

\$1,000 - \$39,000 = \$146.00 minimum charge

\$40,000 - \$1,000,000 = \$3.65 per thousand

\$1,000,001 to \$2,000,000 = \$2.50 per thousand

### **Simultaneous Issue Rate:**

Owner's Policy Premium + \$175.00 (simultaneous issue fee)

## **Premium Rates for Expanded Policies:**

### **Loan Policy Only:**

\$1,000 - \$39,000 = \$110.00 minimum charge

\$40,000 - \$2,000,000 = \$2.75 per thousand

### **Owner Policy Only:**

\$1,000 - \$39,000 = \$160 minimum charge

\$40,000 - \$1,000,000 = \$4.00 per thousand

\$1,000,001 to \$2,000,000 = \$2.75 per thousand

### **Simultaneous Issue Rate:**

Owner's Policy Premium + \$175.00 (simultaneous loan policy fee)

## **Refinance Loan Policy Rate**

**The Refinance Loan Policy Rate shall apply to all transactions where the proceeds of the loan are used for any purpose other than the purchase of the property and shall be calculated as follows:**

### **Standard Loan Policy:**

\$1,000 - \$39,000 = \$60.00 minimum charge

\$40,000 - \$2,000,000 = \$1.50 per thousand

### **Expanded Loan Policy:**

\$1,000 - \$39,000 = \$65.00 minimum charge

\$40,000 - \$2,000,000 = \$1.65 per thousand
